PROFILE

Holder of a Bachelor's degree in Mathematics – Operations Research (OR), with solid experience in marketing, business development and project management. As a Marketing & Sales Manager, I am skilled in developing strategies, managing customer relationships, negotiating and leading projects from A to Z. My background has also enabled me to develop strong leadership, team management and cross-department coordination skills, as well as a versatile understanding of how a business operates and grows. Passionate about entrepreneurship, innovation and business strategy.

EDUCATION

Saad Dahleb University of Blida
Bachelor's Degree in Mathematics (Operations Research)
